Roy Anthony Martin was born on September 8, 1935 and fell asleep on September 16, 2008. These 30,354 days were not wasted. Most of what follows is borrowed from a website belonging to TAPESTRY Christian Storytelling Alliance, a relatively new ministry that is blessed with talent and dedication, but a little short of funds at present. A small budget has not kept it from doing big things, however.

Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have

died), or because they never had such functions and are classified as inanimate. Various forms of life exist, such as plants, animals, fungi, protists, archaea, and bacteria.

Fix #7b: The most extreme of the fixes. Only consider this fix as an absolute last resort before tossing the camera, as there's some obvious potential for further damaging your camera by using this method. You especially might consider this if the lens barrel appears obviously damaged, bent, or crooked such as from a fall. In that case, try thinking of the lens as a dislocated shoulder.
