The third weapon is to put one's trust in God and for love of him to fiercely wage battle with great readiness of spirit against the devil and against the world and one's own flesh which is given one in order that it might serve the spirit.

Catholic Bible 101 - Seven Spiritual Weapons

Autism is a developmental disorder characterized by difficulties with social interaction and communication, and by restricted and repetitive behavior. Parents usually notice signs during the first two or three years of their child's life. These signs often develop gradually, though some children with autism reach their developmental milestones at a normal pace before worsening.
