Black Lives Matter (BLM) is an international activist movement, originating in the African-American community, that campaigns against violence and systemic racism towards black people. BLM regularly holds protests speaking out against police killings of black people, and broader issues such as racial profiling, police brutality, and racial inequality in the United States criminal justice system.

Natural justice is a term of art that denotes specific procedural rights in the English legal system and the systems of other nations based on it. It is similar to the American concepts of fair procedure and procedural due process, the latter having roots that to some degree parallel the origins of natural justice.. Although natural justice has an impressive ancestry and is said to express the ...
