Renaissance art is the painting, sculpture and decorative arts of the period of European history, emerging as a distinct style in Italy in about 1400, in parallel with developments which occurred in philosophy, literature, music, and science. Renaissance art, perceived as the noblest of ancient traditions, took as its foundation the art of Classical antiquity, but transformed that tradition by ...

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
