To produce Atlas Shrugged, Rand conducted research on the American railroad industry. Her previous work on a proposed (but never realized) screenplay based on the development of the atomic bomb, including her interviews of J. Robert Oppenheimer, was used in the portrait of the character Robert Stadler and the novel's depiction of the development of "Project X".

"The point of this discussion is to highlight the fact that from the beginning the emphasis of the Christian doctrine of creation, following the emphasis of the Bible, has been on the relationship between God and the world. Questions about how or when God created the world have been secondary issues. When the early theologians came up with the formula that "God created the world out of ...

Answers to Emails on the Bible and Homosexuality

All Americans should know this earlier history of the Puritans in England. And why? Because the English Civil War showcases the potent politico-religious elements that still drives much of our present American history. The story of the Puritans coming to power back in England goes beyond the regicide of Charles I. It did not all center on one man Oliver Cromwell and his role as Lord Protector ...
