Japanese American internment happened during World War II, when the United States government forced about 110,000 Japanese Americans to leave their homes and live in internment camps. These were like prisons. Many of the people who were sent to internment camps had been born in the United States and were citizens of the United States.

American English (AmE, AE, AmEng, USEng, en-US), sometimes called United States English or U.S. English, is the set of varieties of the English language native to the United States.. English is the most widely spoken language in the United States and is the common language used by the federal government, to the extent that all laws and compulsory education are practiced in English.

### **American English - Wikipedia**

The original 17th century settlers were overwhelmingly English. From the time of the first permanent English presence in the New World until 1900, these immigrants and their descendants outnumbered all others firmly establishing the English cultural pattern as predominant for the American version.

Japan (Japanese: 日本—*Nippon*) is a country in East Asia. It is a group of many islands close to the east coast of Korea, China and Russia. The Pacific Ocean is to the east of Japan and the Sea of Japan is to the west. Most people in Japan live on one of four of the islands. The biggest of these islands, Honshu, has the most people. Honshu is the 7th largest island in the world.
