

### **american government and politics pdf**

The modern American political spectrum and the usage of the terms "left"–"right politics", "liberalism", and "conservatism" in the United States differs from that of the rest of the world. According to American historian Arthur Schlesinger, Jr. (writing in 1956), "Liberalism in the American usage has little in common with the word as used in the politics of any European country, save possibly ...

The United States is a federal republic. The federal government of the United States is set up by the Constitution. There are three branches. They are the executive branch, the legislative branch, and the judicial branch. State governments and the federal government work in very similar ways. Each state has its own executive, legislative, and judicial branches.
