Crimes of less importance are commonly punished, either in the obscurity of a prison, or the criminal is transported, to give, by his slavery, an example to societies which he never offended; an example absolutely useless, because distant from the place where the crime was committed. Men do not, in general, commit great crimes deliberately, but rather in a sudden gust of passion; and they commonly look on the punishment due to a great crime as remote and improbable.

Essay about Crime. The law considers robbery a crime against the person or against the property, according to the case. Robbery may involve simply stealing property from another person, but when a personal encounter occurs between the robber and his victim, it may include violence and bodily harm. This usually occurs during muggings or other strong-arm robberies.
