About the Institute. NIBM was established in 1969 by the Reserve Bank of India in consultation with the Government of India as an autonomous "think-tank" for the Indian banking system. It is intended to further the government's objective of developing the banking industry in India, making the industry more cost-effective, and thus better equipped to aid national development.

Foundation Grants | Old National Bank Foundation

The Federal Reserve has typically used a short-term interest rate as the policy tool for achieving its macroeconomic goals. However, with short-term rates constrained near zero for much of the past decade, the Fed was impelled to use two unconventional monetary policy tools: forward guidance and quantitative easing.
