

california criminal law concepts pdf

The Penal Code of California forms the basis for the application of criminal law in the American state of California. It was originally enacted in 1872 as one of the original four California Codes, and has been substantially amended and revised since then.

California Penal Code - Wikipedia

Criminal law is the body of law that relates to crime. It proscribes conduct perceived as threatening, harmful, or otherwise endangering to the property, health, safety, and moral welfare of people inclusive of one's self. Most criminal law is established by statute, which is to say that the laws are enacted by a legislature. Criminal law includes the punishment and rehabilitation of people who ...
