La calunnia Ã un venticello. (Slander is a little breeze.)â€”Don Basilio to Doctor Bartolo in The Barber of Seville, Gioachino Rossini. Forensic practitioners are by law and tradition prohibited from concluding facts that are the domain of judges or juries.

Liability for Diagnosing Malingering | Journal of the

The concept of designations for hospital facilities that care for newborn infants according to the level of complexity of care provided was first proposed in 1976. Subsequent diversity in the definitions and application of levels of care has complicated facility-based evaluation of clinical outcomes, resource allocation and utilization, and service delivery.

Preface. This report provides, in tabular and graphic form, official federal statistics on cancer incidence and mortality for 2013 and trends for 1999–2013 as reported by CDC and the National Cancer Institute (NCI).

Surveillance for Cancer Incidence and Mortality – United

Helladic chronology is a relative dating system used in archaeology and art history. It complements the Minoan chronology scheme devised by Sir Arthur Evans for the categorisation of Bronze Age artefacts within a historical framework. Whereas Minoan chronology is specific to Crete, the cultural and geographical scope of Helladic chronology is mainland Greece during the same timespan (c.3200–c ...

The Levallois technique (IPA:) is a name given by archaeologists to a distinctive type of stone knapping developed by precursors to modern humans during the Palaeolithic period.. It is named after nineteenth-century finds of flint tools in the Levallois-Perret suburb of Paris, France. The technique was more sophisticated than earlier methods of lithic reduction, involving the striking of ...
