While it may seem that personal flying is an activity restricted to a privileged few, the fact is that just about anyone in good health can become a certified pilot if they are willing to make the investment of time, finances, personal commitment, and a dash of old-fashioned courage. Of course, if it were simple then more people would be aviators. But thousands of men and women earn their ...

Over the years, I've done more than a few Private Pilot Checkrides. People usually pass on the first time, but there are some who don't.

Common Problems on the Private Pilot Checkride

Pilot certification in the United States is typically required for an individual to act as a pilot-in-command of an aircraft. It is regulated by the Federal Aviation Administration (FAA), a branch of the U.S. Department of Transportation (USDOT). A pilot is certified under the authority of Parts 61 or (if training was conducted by an FAA-approved school) 141 of Title 14 of the Code of Federal ...
