Narrative point of view. Narrative point of view or narrative perspective describes the position of the narrator, that is, the character of the storyteller, in relation to the story being told. It can be thought of as a camera mounted on the narrator's shoulder that can also look back inside the narrator's mind.

A first-person narrative is a mode of storytelling in which a narrator relays events from their own point of view using the first person i.e. "I" or "we", etc. It may be narrated by a first person protagonist (or other focal character), first person re-teller, first person witness, or first person peripheral (also called a peripheral narrator). A classic example of a first person protagonist ...
